SUMMARY

Passionate Frontend Developer with a strong background in Angular and a knack for creating stunning user interfaces. Eager to expand my skills in the world of frontend development, leveraging my expertise to craft immersive and responsive web experiences. Committed to staying on the cutting edge of web technologies to drive innovation and elevate an organization's digital presence

EXPERIENCE

Software Engineer

Bursys

📅 03/2023 - Present   📍 Panchkula, Haryana

Digital Field Service Management Software and Mobile Application

- Skilled in designing and implementing custom Angular components, directives, and services to enhance application modularity and maintainability.
- Successfully integrated RESTful APIs into Angular applications to fetch and display real-time data, ensuring seamless user experiences.
- Daily maintenance of code, debugging issues and solving clients' problems
- Presented findings in a clear and concise manner to key decision-makers

Front End Developer Intern

EssilorLuxottica

📅 01/2023 - 03/2023   📍 Bengaluru, Karnataka

EssilorLuxottica: Global eyewear giant formed by merging Essilor (lens manufacturer) and Luxottica (eyewear brand and retail specialist).

- Engaged in Angular-based UI development during my internship.
